To Whom It May Concern:

This is written as a recommendation for Amber Velasquez.

Over the last several years I have grown a great appreciation for her competence and willingness to please. She has proven herself to be a consummate employee.

While working for me as healthcare person for my mother she had shown empathy beyond my own expectations.

Since then we have stayed in touch with each other periodically.

In my opinion she will be a strong asset to any company or person for which she chooses to work.
